**VOCALIST LAURIN TALESE RELEASES DEBUT ALBUM WITH ALL-STAR LINEUP
FEATURING ADAM BLACKSTONE, ROBERT GLASPER, VIVIAN GREEN, CHRISTIAN
MCBRIDE, ULYSSES OWENS JR., CHRISTIAN SANDS AND MORE**

PHILADELPHIA, Apr 4, 2016 – On March 25, 2016, recording artist, composer and songwriter, **Laurin Talese**, released her debut album entitled ***Gorgeous Chaos***. The eagerly anticipated debut album follows her EP, ***An Invitation***, that came out late last year.

Gorgeous Chaos (now available now via iTunes, Amazon, Google Play and more), showcases the songstress' magnificent instrument, and further expands upon her whimsical narrative which provides an alluring glimpse into her personal life experiences. She quotes:

"In my early involvement with romance, there was so much ambiguity. I was eager and impatient; wistful and naive. I had everything to learn, and that first glimpse of awareness and confidence on the horizon was absolutely GORGEOUS. However, while telling my ever-evolving story, I would be remiss to exclude the chaos that ensued. That crazy back and forth dance you do when you're on the precipice of an epiphany."

Produced by **Adam Blackstone** (Justin Timberlake, Rihanna) and **Ulysses Owens, Jr.** (Christian McBride, Kurt Elling, Wynton Marsalis), ***Gorgeous Chaos*** features a list of jazz elite including **Robert Glasper**, **Christian McBride** and **Christian Sands**, renowned Soul/R&B vocalist, **Vivian Green**, and longtime collaborator **Eric Wortham II** (Adele), alongside Owens and Blackstone.
